# At Express Adda today: NITI Aayog chief Rajiv Kumar decodes the Budget

EXPRESS NEWS SERVICE  
New Delhi, February 5

**UNVEILING THE UNION** Budget four days ago, Finance Minister Arun Jaitley pointed to the role that the NITI Aayog would play in schemes on the government's priority list. These include development of

a mechanism to ensure adequate price for farm produce, the ambitious National Health Protection Scheme and a national programme on artificial intelligence.

And to shine light on the NITI Aayog's role in these schemes and what the last full Budget of the Modi government before the next Lok Sabha elections hopes to achieve, Dr Rajiv Kumar, Vice Chairman of NITI Aayog, will be the guest at the Express Adda in Mumbai on Tuesday. He will be in conversation with National Editor (Policy) Shaji Vikram and National Bureau Chief Ravish Tiwari.

For long a proponent of the 'Bharatiya model' of development, Kumar maintains that the NITI Aayog is not a replica of the Planning Commission, that it is designed to be an 'action tank', and not just a 'think tank'. He has said that it is his and his team's job to provide a feedback mechanism to the government and the Prime Minister, and to bring the states on the same page on

He advocates the Bharatiya model of development

subjects such as primary health.

The National Health Protection Scheme, announced by the Finance Minister in his Budget speech, has been developed in close coordination with NITI Aayog whose member Dr V K Paul is one of the key policy advisors for the scheme.

In his speech, the Finance Minister said the NITI Aayog, in consultation with governments at the Centre and in states, would put in place a foolproof mechanism so that farmers get adequate price for their produce. The minister also mentioned that the NITI

Aayog would "initiate a national programme to direct our efforts in the area of artificial intelligence, including research and development of its applications".

Dr Rajiv Kumar has considerable experience in the government. He has held several senior advisory positions in the ministries of Industry and Finance and has in-depth knowledge of the private sector, having served as Secretary General, FICCI and Chief Economist, CII.

## Tata Motors, Warburg Pincus call off \$360-m Tata Tech deal

PRESS TRUST OF INDIA  
New Delhi, February 5

**TATA MOTORS ON Monday** said its \$360 million (around ₹2,320 crore) deal to sell 43% stake in Tata Technologies to Warburg Pincus has been called off due to non-receipt of regulatory nod and missing of internal performance target by its Singapore-based arm.

As per transaction

announced on June 15, 2017, Warburg Pincus was to acquire approximately 43% stake in Tata Technologies from Tata Motors and other Tata entities.

"However due to delays in securing regulatory approvals as well as due to the recent performance of the company not meeting internal thresholds because of market challenges, the parties to the transaction have mutually decided not to

proceed with the closure of the transaction," Tata Motors said.

Tata Motors will continue to explore strategic options to sell its stake in Tata Technologies and remains positive on the outlook of the business, it added. As per the proposed deal, an affiliate of Warburg Pincus was to acquire around 30% from Tata Motors and its subsidiary Sheba Properties as well as Tata Capital's entire 13% stake.
